Dear Sir and Brother

Subject: Members' Survey Feedback

I refer to the above subject and have great pleasure to inform you that final analyses of our members' survey data has been completed and the results are available for circulation.

Earlier this year over 7,000 members of the global Scottish Constitution completed the online survey and the views of our Brethren make interesting reading. To this end the Grand Master Mason has directed a strategic working group to respond to key themes that have emerged from this exercise. This work has already started and the product of their labours will emerge in the New Year 2021.

You now also have chance to view the survey outcomes and you have a voice to provide feedback to Freemasons' Hall.

This link <https://we.tl/t-JQ2x9AcGG7> will take to the survey data where you will find three files:
PLEASE NOTE THAT THIS LINK WILL EXPIRE WITHIN 6 DAYS!

- **Survey Results File** – provides a generic overview of all responses and should be used by everyone
- **Individual Province Results File** – provides separate individual responses from each Province in Scotland and should be used for a more focused review by your own Province in addition to the generic results
- **Individual District Results File** - provides separate individual responses from each District overseas and should be used for a more focused review by your own District in addition to the generic results

May I request that Provincial and District Grand Secretaries circulate the survey outcome pertinent to your own area of jurisdictional responsibility and collate feedback from your Brethren. Feedback should be forwarded to a dedicated email address at Freemasons' Hall for this purpose only surveyfeedback@grandlodgescotland.org

I thank you in advance for your participation in this exercise and strongly encourage feedback which I assure you will be used to implement change espoused by our membership.

William M S Semple
Grand Secretary
